

**my screenshots**

The screenshot shows a mobile application interface for a registration screen. At the top, there is a blue header bar with a back arrow, the title "Register", and a cloud upload icon. Below the header, the screen is divided into three sections for user information:

- User name :** Sakdipat Ontoum. Below the input field, a confirmation message reads "Hello Sakdipat Ontoum".
- e-Mail :** sakdipat@gmail.com. Below the input field, a confirmation message reads "Hello sakdipat@gmail.com".
- Password :** A field containing seven dots. Below it, a red instruction reads "Enter your secret code more than 7 characters".

At the bottom of the screen, a standard QWERTY keyboard is visible, including a numeric row, letters, and a green checkmark button for confirmation. The status bar at the very top shows the time as 4:05 and various system icons.
